EDUCATION

Sardar Vallabhbhai National Institute of Technology, Surat **Dec 2021 - May 2025**
B.Tech in Electronics and Communication Engineering (CGPA: 7.87 / 10) *Gujarat, India*

EXPERIENCE

Aspyr **May 2024 - Jul 2024**
Position: Software Developer Intern *Remote*

- Developed an interview scheduling software using the **Spring Boot** framework, automating and streamlining the process of arranging and notifying interviews, achieving a 35% reduction in scheduling time.
- Utilized **JWT** and **Spring Security** for Magic Link authentication, improving user access simplicity by 25%.
- Created onboarding processes and dedicated dashboards for interviewers and interviewees using **React** and **Tailwind CSS**, resulting in a 30% increase in website usability and user engagement.
- Established a **Graylog**-based log management tool with **ElasticSearch**, reducing log analysis time by 40%.
- Implemented the Java logging framework **Logback** and utilized **Filebeat** as a sidecar for efficient log forwarding.
- Designed and implemented an optimized **PostgreSQL** database schema for managing interviewer and interviewee data, comprising over 10 tables to ensure efficient data handling and integrity.
- Conducted comprehensive **end-to-end testing** and performed **load testing** on the product, ensuring system reliability and performance under conditions of up to 100 concurrent users.

DotSlash 7.0 **Jan 2024**
Position: Hackathon Participant *Surat,Gujarat*

- Developed a city service platform that transformed urban convenience by providing seamless digital access to essential services, created during a **competitive hackathon** with 50 participating teams.
- Engineered a responsive and user-friendly web application using the **MERN stack**, **Tailwind CSS**, and **Firebase**.

OPEN-SOURCE CONTRIBUTIONS

GSSoC (GirlScript Summer of Code) **May 2024 - Aug 2024**
Position: Contributor *Remote*

- Contributed to diverse open-source projects, including **ElectiveHub**, **Climate Navigator**, **DEVLABS**, and **Examtime**, focusing on bug fixes and creating impactful landing pages, signup flows, and contact us pages.
- Resolved 20+ issues on **GitHub**, improving collaboration and resulting in a 25% increase in project efficiency.
- Conducted thorough code reviews for 30+ pull requests, ensuring high code quality and reducing bugs by 10%.

PROJECTS

City Service : React.js, Express.js, Tailwind CSS, Node.js, MongoDB, Redux, Firebase **Jan 2024 - Feb 2024**

- Established a digital platform using the **MERN stack** and **Tailwind CSS**, providing a home service solution that connects customers to service professionals, leading to a 35% rise in service bookings.
- Leveraged **Redux** for state management across various components, enhancing website functionality by 20%.
- Improved user experience by 15% through the implementation of search functionality and a notification system.
- Enhanced platform security by 25% through implementing a **Google Auth** based login system using **Firebase**.

ACHIEVEMENTS

- Solved 400+ questions on **Leetcode**, **GFG** and various other platforms.
- Reached Pupil status at **Codeforces**(Max Rating: 1220) and 3 stars at **Codechef**(Max Rating: 1615).
- **Ranked 9th** out of 50+ teams in **CODEWARS**, an offline coding event hosted by **ACM** and **MINDBEND**.
- Achieved **8th place** out of 500+ teams in **DotSlash 7.0**, an offline hackathon organized by **ASHINE** and **ACM**.

TECHNICAL SKILLS

Programming Languages: C, C++, Java, JavaScript, Assembly.
Libraries and Frameworks: React.js, Node.js, Express.js, Spring Boot, Spring Security, Spring MVC, Tailwind CSS.
Databases and Tools: MongoDB, SQL, PostgreSQL, ElasticSearch, Firebase, Postman, API, Git, Docker.
CS Fundamentals: Data Structures and Algorithms, Database Management System, Object-Oriented Programming, Computer Networks, Operating Systems.

POSITIONS OF RESPONSIBILITY

- **Junior Developer** at Google Developer Student Club (GDSC) **Oct 2022 - May 2023**
- **Executive Member** at Association for Computing Machinery (ACM) **Aug 2022 - May 2023**
